THE MISSION OF THE KOSCIUSZKO FOUNDATION

Founded in 1925, the Kosciuszko Foundation is dedicated to promoting and strengthening understanding and friendship between the peoples of Poland and the United States through educational, scientific and cultural exchanges and other related programs and activities. It awards fellowships and grants to graduate student scholars, scientists, professionals and artists and helps to increase the visibility and prestige of Polish culture in America's pluralistic society by sponsoring exhibits, publications, film festivals, performing arts such as concerts and recitals, and assists other institutions with similar goals.

The Kosciuszko Foundation's fiscal year runs from July 1 through June 30. This report covers activities and expenditures for the fiscal year ending June 30, 2016.

EDUCATIONAL PROGRAM

Since 1926 the Kosciuszko Foundation's educational programs have reinforced bonds between the United States and Poland by facilitating an intellectual and scholarly exchange of ideas. Today, the Foundation's educational programs include Exchange Fellowships and Grants; Domestic Tuition Scholarships, Graduate and Postgraduate Study and Research Programs for Americans in Poland; Year Abroad Program, Special and Travel Grants; Summer Studies in Polish Language and Culture and Teaching English in Poland. These programs constitute the basis of all the Foundation's activities and account for the major portion of its program expenditures.

EXCHANGE FELLOWSHIPS AND GRANTS FOR POLISH CITIZENS

The Kosciuszko Foundation Fellowships and Grants are awarded annually to Polish citizens for advanced study/research and teaching at universities, institutions of higher learning and scientific/ medical centers in the United States. Under the program, Fellowships are awarded to postgraduate scholars, professionals or artists with degrees. Grants are awarded to those without doctoral degrees. Fellowships and Grants are awarded for 3-10 month periods depending on the nature and scope of the research project, the recommendations of the American institution and the U.S. and Polish Academic Advisory Committees.

During fiscal year 2016, 42 Polish scholars and scientists successfully completed their scholarly and scientific projects, receiving \$476,225 in support from the Foundation.

The Fellows and Grantees had been carefully chosen for the program in a highly selective screening process that included personal interviews in Warsaw. Among them were five Teaching Fellows – a part of the Foundation's ongoing support for Polish Studies programs at various American universities (since 1992). During the 2015/16 academic year,

the Foundation sponsored Teaching Fellowships at: The Brown University in Providence, RI, the Cleveland State University in Ohio, the University at Buffalo, the State University of New York; and Hunter College, City University of New York (as part of a separate domestic program).

In addition to funding, the Foundation provides support to Fellows and Grantees prior to their arrival and during their stay in the United States. Every effort is made to help the participants and their families with travel, housing, medical insurance, visa, and U.S. Homeland Security procedures. Foundation staff contact Fellows and Grantees frequently throughout their stay in the United States, and whenever feasible, conduct exit interviews and receive a final written activities report from each participant.

The Foundation would like to take this opportunity to express its sincere appreciation to the members of the U.S. and Polish Academic Advisory Committees, whose members review and interview all of the applicants for the Fellowships and Grants Program.

KOSCIUSZKO FOUNDATION SCHOLARSHIP PROGRAMS FOR AMERICANS

The Kosciuszko Foundation's scholarships and grants for Americans are known informally as the Foundation's "domestic scholarships". Four distinct scholarship programs fall under this category. They include:

- Tuition Scholarships
- Summer Study Abroad Program
- Year Abroad Scholarships
- Graduate / Postgraduate Studies and Research in Poland

Kosciuszko Foundation Tuition Scholarships are available to U.S. citizens and permanent residents of Polish descent primarily for graduate studies in any field at colleges and universities in the United States. Tuition Scholarships are also awarded to Americans of non-Polish descent whose studies at American universities are primarily focused on Polish subjects. Scholarships may be awarded to Americans of Polish descent for studies at English Schools of Medicine in Poland and for Central European studies at the Jagiellonian University in Cracow.

A number of undergraduate scholarships are also awarded under the Tuition Scholarship program. All tuition scholarship awards are competitive and are based on academic excellence with a minimum GPA of 3.0 and involvement in the Polish American community.

In 2015-2016 academic year, \$314,750 was awarded to 121 scholars under the Domestic Programs which include: Tuition Scholarships, Year Abroad, Studies and Research in Poland, and Summer Study Abroad.

TUITION SCHOLARSHIPS

The Kosciuszko Foundation's tuition scholarships and scholarships administered on behalf of other organizations for the 2015-2016 academic year are presented here and are based on the following:

1. **Tuition scholarships** are awarded to U.S. citizens and permanent residents of Polish descent for graduate

studies at colleges and universities in the United States and to Americans of non-Polish descent whose studies at American universities are primarily focused on Polish subjects; Scholarships are also awarded to Americans for medical studies in Poland. A small number of scholarships are awarded for undergraduate students.

2. **Massachusetts Federation of Polish Women's Clubs Scholarships** are awarded to U.S. citizens of Polish descent residing in Massachusetts and to Polish citizens who are legal permanent residents of the US residing in Massachusetts – scholarships are awarded for undergraduate studies in any field at colleges and universities in the United States;
3. Kosciuszko Foundation administers **the Polish American Club of North Jersey Scholarships and the Polish National Alliance of Brooklyn USA Inc. Scholarships** on behalf of the above named organizations; Awards are for undergraduate studies in the US;

For the 2015-2016 Academic Year, 91 undergraduate and graduate students received \$264,875 in Tuition Scholarships.

TEACHING ENGLISH IN POLAND PROGRAM

By Teresa G. Wojcik, Ph.D.

The summer of 2016 marked the **twenty-sixth** anniversary of the *Teaching English in Poland Program* (TEIP), an innovative and highly effective cultural and educational exchange between the United States and Poland. This summer program is cosponsored annually by the Kosciuszko Foundation and independent, educational, nonprofit organizations and is under the honorary patronage of the Polish National Commission for UNESCO. This year, 78 American teachers and teaching assistants from 20 states volunteered for the program, which served over 300 students from throughout Poland. The Teaching

573	Polish Students

Since 1991

2,200	American Volunteers
13,600	Polish Students
140	Education Camps in Poland

The Kosciuszko Foundation and our Polish partners offered seven choices to students: four **English Language/American Culture Camp Programs** and two **Arts Enriched English Language Camp Programs**. The programs included students ages seven to eighteen. As a result of this expansion, a larger number of Polish students and American teachers and assistants had the opportunity to share in cross-cultural experiences.

1. **English Language/American Culture Camps** were held at the following locations: ZHP “Nadwarcianski Grod,” Zalecze Wielkie, The District Center for Culture, Education, Kraków, Minsk Mazowiecki and our newest site, Krynica Zdrój. All sites conducted a two-week English language immersion experience for Polish students. The Polish hosts at each site also offered a cultural tour of Poland for American teachers and assistants who volunteered their time to the program. The purpose of **the English Language/American Culture Camp Program** is to provide Polish students, who demonstrate intermediate to advanced levels of proficiency, with opportunities to improve their conversational skills. The method of language immersion is employed during four daily class periods, in extracurricular activities, on field trips, and during meals and periods of free time. At the same time, participating volunteer American teachers and teaching assistants are exposed to the culture, history, language, traditions, and people of Poland. **Ms. Dawn Woyak** from Albuquerque, New Mexico served as the American Staff Leader in Załęczce; **Ms. MaryAnn Stefko** from Marywood University in Scranton, Pennsylvania served as the American Staff leader at the Krakow Elementary Camp; **Dr. Gretchen Espinetti** from Palm Coast, Florida served as the American staff leader at the middle school camp in Krakow and **Ms. Dorothy Parker**, Fairport, New York served as the staff leader in Minsk Mazowiecki and **Ms. Jacque Brown- Williams** from Tyron, North Carolina served at the camp in Krynica Zdrój.
2. **The Arts Enriched English Language Camp Program** celebrated its seventh year since its inception in 2009 in Załęczce Wielkie. The second Arts Enriched English Language Camp in Otwock celebrated its third year. Both programs held four classes per day and emphasized the importance of art, music, theatre, drama, and other creative forms of expression. The purpose of the Arts Enriched English Language Camp Program is to strengthen students' appreciation for creativity and the innovation that art provides. The program in both Załęczce Wielkie and Otwock invited students to gain a deeper appreciation for the arts, to learn about American culture, and to foster creative growth through a strong personal and global sense of identity. Toward the end of the experience, Polish students demonstrated their artistic abilities through an Art Expo. The exposition was open to students' family members, friends and showcased their creative works and talents. **Ms Joanne Beard from New York Mills**, was the American Staff at Załęczce and **Mr. Thomas Rusnak from Brookfield, Illinois** served as the American Staff Leader at Otwock.

Mary Kay Pieski Ph.D., Director of the TEIP, together with **Teresa G. Wojcik Ph.D.**, Assistant Director, facilitated the American aspects of the program; supervised the implementation of the program at each Polish campus site. Cooperating Polish directors included **Ewa Barbara Musiejko** (*Powiatowy Młodzieżowy Dom Kultury i.m. Michała Elwiro Andriollego w Otwocku*), **Krystyna Mikita** (*Ósrodek Szkoleniowo-Wypoczynkowy ZHP "Nadwarciański Gród"*), **Anna Krzemińska-Kaczyńska** (*VIII Prywatne Akademickie Liceum Ogólnokształcące IB World School-Krakow*).

The Kosciuszko Foundation and the Polish National Commission for UNESCO cooperate to prepare and implement specific components of the TEIP Program. The Foundation recruits and selects American teachers and assistants; organizes the staffing of each camp; provides training sessions for American participants; facilitates the educational aspects of the program as outlines in the curriculum guide. In addition to preparing lessons and activities, the participants are encouraged to raise funds, solicit donations of equipment, educational materials, and books to be shipped to Poland.

The TEIP Program has been awarded grants and in excess of **\$14,000** from **Delta Kappa Educational Foundation** to help purchase equipment for the Arts Enriched English Language Camp Program. **Mr. Al Koproski**, Trustee of the Kosciuszko Foundation and member of the board of the Polish National Youth Baseball Foundation facilitated the donation of baseball equipment to the new camp in Krynica Zdrój.

This summer a total of **573** Polish students attended the camps located in Załęczce Wielkie, Otwock, Mińsk Mazowiecki, Krynica Zdrój, and Kraków. The Foundation selected seven group leaders, twenty-two American teachers and twenty-three teaching assistants to participate in the TEIP Program. Participants hailed from the following twenty-one states included: California, Colorado, Connecticut, Florida, Illinois, Idaho, Maine, Massachusetts, Michigan, New Jersey, New Mexico, New York, North Carolina, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Vermont. and one teacher from Canada.

The Kosciuszko Foundation expresses its gratitude to:

1. **Dr. Joseph Polizzi** at Marywood University (Scranton, Pennsylvania)
2. **Dr. Patricia Grutzmacher**, at Kent State University, (Kent, Ohio), for assisting with recruiting volunteer teachers and teaching assistants.
3. **Mary Kay Pieski, PH.D.**
4. **Ms. Sally Coveleskie-Blair**, Marywood Alumnae, established an award in honor of Sister Benedicta Berendes I.H.M., for the profound and lasting impact she had on their lives.

5. **The Kosciuszko Foundation chapters:** New England, Philadelphia, and Chicago

Catherine Owens and **Joseph Buderwitz** were the second recipients of the award and received financial support for the cost of the airfare to Poland.

In its first quarter century, the TEIP program under the aegis of the Kosciuszko Foundation has hosted 130 camps throughout Poland at twenty-two locations: Łomża, Ustka, Kraków, Płock, Gdańsk, Iława, Olsztyn, Zakopane, Puławy, Przytok at Zielona Góra, Myślenice, Tczew, Warszawa, Gołdap, Gorzów Wielkopolski, Limanowa, Załęcze Wielkie, Barlewiczki, Otwock, Pińczów, Mińsk Mazowiecki and Krynica Zdrój. More than **13,600** Polish students and almost **2200** Americans have benefited from this program.

The American volunteer participants in the TEIP program are vital in effecting the Kosciuszko Foundation's mission of promoting educational and cultural exchanges between the United States and Poland and of increasing American understanding of Polish culture and history.

Heartfelt thanks to **our partners in Poland** who have participated in and supported the Teaching English in Poland Program: The Polish National Commission for UNESCO for promoting the program under its patronage and the Polish Ministry of National Education for providing funds in Poland for camp sites (1991-2008) and their operation, for hiring Polish staffs, and for providing funds for the stipends and end-of-program tours for American participants.

The following foundations and organizations in the United States and Poland that contributed to the functioning and development of the TEIP program include: Educational Enterprise Foundation, The Kosciuszko Foundation Wysocki and Frees Funds, The Polish American Teachers Association, Marie Skłodowska Curie Professional Women's Association, Nidzicka Fundacja Rozwoju, Delta Kappa Gamma Educational Foundation, Chicago, Ohio, New England and Philadelphia Chapters of the Kosciuszko Foundation, Polish National Youth Baseball Foundation, the Cleveland Society of Poles, The Pulaski Association of Professional Men etc. and individual donors.

We extend warmest thanks to the Polish Directors and staffs for their hospitality and efforts in introducing Kosciuszko Foundation American volunteers to "everything Polish"; and soliciting funds to make the camps affordable for Polish students by partnering with community leaders and organizations.

A special thank you the administrators and Trustees of the Kosciuszko Foundation for their foresight and trust by enabling

an atmosphere of viable outreach in accepting TEIP as a vital component in promoting the mission of the Kosciuszko Foundation. Heartfelt thanks to **Mrs. Christine Kuskowski, Director Emerita** for her visionary leadership and steadfast commitment to the program's success. The organizers of Teaching English in Poland Program look to the future, building on the achievements of the first twenty-five years to even greater successes in years to come.

ANNUAL DINNER AND BALL

On Saturday, April 30th, 2016 at the Grand Ballroom of the Waldorf Astoria Hotel in NYC, the Kosciuszko Foundation held **the Amber Ball - the 81st Annual Dinner and Ball.**

We had the honor of recognizing **Martha Stewart**, a visionary and entrepreneurial mogul, who proudly spoke about her Polish heritage when accepting the KF Medal of Recognition, and Professor Piotr Chomczynski, renowned biochemist, researcher, and the generous benefactor to the KF. The Ball was chaired by a longtime Trustee – Prof. Waldemar Priebe.

We were honored by the presence of both Polish and American dignitaries including Ryszard Schnepf, Ambassador of Poland to the USA, Urszula Gacek, Consul General of Poland in NY, and Audrey Zibelman, Chair of the New York State Public Service Commission.

Highlights of the evening included live music by the Gerard Carelli Orchestra and performances by Met Opera singer – Edyta Kulczak, Mezzo Soprano, jazz singer Kelley Suttentfield, dances by the Polish American Folk Dance Company and special performance of the traditional Polish song “Hej Sokoły” by Alex Storozynski and friends.

The KF 81st Annual Ball has been a celebration of a mission fulfilled and the benefactors who made it possible. The Foundation awards on average \$1 million in fellowships, grants and scholarships to students, scholars and artists. Nearly 200 people benefit from the Foundation on an annual basis.

Proceed from the Amber Ball supported the Foundation's initiatives including the renovation of the impressive KF House, cultural programming, outreach to children and scholarship support.

They comprise of individuals who are focused on certain special interests within the broader activities of the Kosciuszko Foundation, and often feature their own membership rosters and officers, addressing many of the Foundation's specific needs.

The National Advisory Council

The National Advisory Council is composed of several individual members of the Kosciuszko Foundation, as well as presidents of the Kosciuszko Foundation's nine Chapters. The Council is designed to benefit from broad representation throughout the United States providing the Board of Trustees with valuable advice on how to expand membership and donations, by highlighting and discussing current trends amongst the Foundation's target groups, and developing ideas on how to attract new membership and donations given these trends. Its members are longtime Foundation members who have their finger on the pulse of the Foundation, its philosophy, and its future.

Chapters of the Kosciuszko Foundation

The Kosciuszko Foundation chapters play a vital role in maintaining the Foundation's reputation as a nationwide organization. Run strictly by local volunteers who commit considerable time and effort to the task of soliciting members in their geographic areas, organizing local concerts, awards banquets, and other key fundraising events, representatives of nine Kosciuszko Foundation Chapters act as local ambassadors, promoting the Foundation's mission in local regions.

Through the participation of local chapter presidents on the National Advisory Council, chapters also help keep the Board of Trustees, officers, and staff informed of local trends in local communities.

The Pro Arte League

For all those visitors to the Foundation House who find it an aesthetic and hospitable place to visit, they can thank the Pro Arte League.

Founded by women members of the Kosciuszko Foundation in 1970 with a mission to raise funds for the preservation and beautification of the public rooms for the Kosciuszko Foundation house, the Pro Arte League has played an indispensable role in keeping the Foundation House in its current pristine condition. Beginning with fashion show fundraisers in the early part of its history, the League now uses its annual fundraising luncheon as a showcase for young Polish-American musicians and other fine Polish and Polish American performing artists.

The Polish American Teachers Association

Polish American Teachers Association (PATA) was founded in 1973 in order to help accurately inform the American public about Poland and the role and contributions of Polish Americans in American society. PATA's relationship with the Kosciuszko Foundation began shortly after formation.

PATA sponsors a rich schedule of events and activities, including essay and visual arts competitions. One of its more popular programs include a storytelling competition, during which students of Polish heritage who attend Polish supplementary schools gather at the Kosciuszko Foundation in March to tell stories from Polish folklore.

PATA also holds the popular Annual *Mikolajki*/St. Nicholas Day celebration, which teaches children about traditional Polish Christmas celebrations. PATA has also been a reliable supporter of the Foundation's Teaching English in Poland Program, through regular cash contributions as well as Program volunteers.
